Re: Your unwavering support!

Jeff and Sheila,

A big and formal **Thank You!** is long overdue from The Buckhorn Community and Cultural Centre for your ongoing generous support!

Your most recent benevolent donation of significant improvements to our Ball Diamond along with your recurring sponsorship of the annual Golf Tournament must be recognized lest we become guilty of taking one of our most dependable community sponsors for granted. In fact we worry about "donor fatigue" as a real issue for our prominent business's because we know all too well the number of requests they get. And yet, here you are again, making yet another unsolicited donation to our centre.

Your commitment as a local business and as long standing Members of the larger Buckhorn community to the success of our unique homegrown facility is at the heart of what we are all about. We are all the community. Every dollar we get goes back to each and every one of us. Your family is part of our family.

We know Judy thanks you when she gets a call and we hope others thank you when they get the opportunity in their daily encounters but right now that's just not enough.

The Board of Directors, (our long suffering Budget Manager - Peggy R.), and ALL of our Membership and Volunteers THANK YOU for your unwavering support !!

Sincerely yours, on behalf of the Board of Directors, Staff, and Membership,

Bill Kent
President, Buckhorn Community Centre & Athletic Association
